Free installation with all our appliances

You'll look up with gratitude.

Life is now a lot easier, thanks to Bosch Chimney's thoughtful features.

Self-Clean Technology

Cleans itself with just a click of a button. The interior heats up and dissolves the accumulated grease, which flows down into an easily detachable tray.

Self-Clean Reminder

No need to remember next cleaning schedule with Self-Clean Reminder that indicates when the chimney needs cleaning.

Smart Motor Technology

Experience with a powerful motor coupled with the Archimedean Air principle that provides higher suction with lower noise along with lower energy consumption.

Booster Mode

Perfect for Indian cooking, with maximum ventilation whilst heavy cooking like deep frying puris, tempering dal, shallow frying tikkis, roasting meats, etc.

Delayed Shut off

This extracts the leftover smoke and automatically turns off the chimney in 10 minutes, leaving your kitchen fresh and clean.

Self Clean Chimneys

DWK981J601 - ₹39,990

90*cm | Oil collector filter

Key Features:

- Self-Clean technology along with Self-Clean reminder function
- 3 Defined suction modes : Cook, Boil, Fry
- Touch with Gesture Control
- Extraction Rate: 1200 m³/h (IS 3741)*
- Dimensions (HxWxD)(mm): 810 x 900 x 358

Does all the work silently.

A few decibels can make the difference between harmful, loud, and pleasant. Operating at 45db*, our quietest chimney means you can have it on while listening to music, enjoying a conversation or even while your baby rests. Not just that, our chimneys have a high extraction capacity ensuring a pleasant kitchen experience.

PREMIUM RANGE

Home Connect

Remotely monitor/control the chimney and its functions through your Smartphone/Tab

Silent Hoods (Noise - 45db)

Operating at 45db*, our quietest chimney means you can have it on while listening to music, enjoying conversation or even while your baby rests.

EcoSilence Drive brushless motors

This powerful, energy-saving motor ensures your hood works silently, letting you enjoy your cooking experience without any noise.

PerfectAir Sensors

Automatic detection of cooking intensity & adjustment of power levels basis cooking intensity.

Automatic Intensive Revert

This feature provides a 6-minute intensive burst to clear strong odors, then reverts to normal settings.

Chimneys

DWK98PR201 - ₹1,62,990

90*cm | Clear White Wall Chimney

Key Features:

- 837 m³/h maximum extraction capacity
- High extraction rate filters out over 85%
- EcoSilence Drive brushless motor
- Exhaust Air Dimension (HxWxD)(mm): 957-1227 x 894 x 548 (ducted)
- Recirculating Dimension (HxWxD)(mm): 1017-1287 x 894 x 548 (recirculating)

DWB67JP501 - ₹68,490

60*cm | Stainless Steel Wall Chimney

Key Features:

- 657 m³/h maximum extraction capacity
- EcoSilence Drive brushless motor
- Energy efficiency class: A
- Exhaust Air Dimension (HxWxD)(mm): 614-954 x 598 x 500 (ducted)
- Recirculating Dimension (HxWxD)(mm): 614-1064 x 598 x 500 (recirculating)

A new level of freedom in the kitchen.

A cooktop that cooks perfectly and a chimney that ventilates perfectly. Here's an appliance that does the job of both and lets you enjoy the benefits of true open kitchen.

Home Connect

Remotely monitor/control the hood and its functions through your Smartphone/Tablet

PerfectCook**

Our hobs are designed with a sensor so you'll be able to control your cooking by the temperature in the pan rather than the power level.

** This feature requires the additional purchase of a Cooking Sensor to operate.

DirectSelect

This feature helps in selection of the desired cooking zone, power and additional function

PerfectFry

This functionality enables to achieve perfect browning of roasted food. It also comes with pre set 5 different frying programs.

The 2-in-1 Cooktop With Integrated Ventilation

**EOL

PVQ811F15E - ₹2,72,990

80*cm | Induction Cooktop with Integrated Ventilation System

No matter what's your cooking style, True Brass Hobs can take on anything.

Presenting True Brass Hobs
with intense and even flame
for Indian Cooking.

TrueBrass 3D

Made from pure with 3 flame rings that come with precision flame control that enables easy usage. The internal flame helps to simmer food and for full capacity intense cooking, all 3 flame rings are initiated.

Intense Blue Flame

The blue flame renders complete combustion where right amount of cooking gas comes in contact with sufficient levels of oxygen. Leading to food being cooked evenly at any flame setting.

Flame Failure Safety Device

It detects if the gas is on, even though the flame is off and automatically cuts-off the gas supply. Bosch's hobs provides this safety feature in all the burners.

Zero Leak Design

Our best in class Bosch Hobs are engineered with a fully sealed burner base that does not allow any food and liquid particles to get inside the body. Thereby ensuring no blockages.

- Cut out dimensions (HxWxD)(mm):
51 x 270 x 490-500

The power of fire. The precision of Bosch.

Traditionally, gas cooktops offer inexact power settings. There are no clearly defined increments, particularly at intermediate levels of heat such as medium-low, or medium-high. But gas cooktops from Bosch with FlameSelect technology offer a completely new level of precision.

Flame Select Valve

Bosch FlameSelect valve technology give you precise control over each hob's flames with nine different settings as per cooking requirement, giving you complete control over your cooking without the guesswork.

High Power Wok Burner

Bosch premium hobs comes with a powerful Wok Burner of 8KW of power to ensure intense Indian cooking can be carried out without breaking a sweat!

Flame Failure Safety Device

It detects if the gas is on, even though the flame is off and automatically cuts off the gas supply. Bosch's hobs provides this safety feature in all the burners.

The next level of cooking.

With the new Serie 8 ovens, even the most demanding dishes are cooked to perfection almost automatically. The reason for this is our range of sensor-controlled functions. If you wish, they will constantly measure the progress of your dishes and automatically adjust the oven's settings. This guarantees you perfect results, just like from a professional chef – with a minimum of effort.

Steam Function Plus

Gives you the perfect crust on the outside and fluffy inside. Vegetables cooked with steam stay crunchy and retain not only their natural aroma, but also vitamins and nutrients.

PerfectBake Plus

Thanks to Artificial Intelligence and the Baking Sensor measuring the humidity inside your oven you can see how many minutes are left until your dish is ready to serve.

PerfectRoast Plus

Through several highly sensitive measuring points, the meat probe determines the core temperature to exact degree and second and guarantees the perfect roasting results.

Air Fry Function

Now prepare your own snacks or grill dishes by simply placing sliced potatoes or other vegetables on the Air Fry and Grill tray with almost no oil.

TFT Touch Display

Additionally, you are supported by a high-resolution TFT Touch Display: Clear, vivid images and info texts take you through each step as you navigate the Programme options.

Good hygiene starts with germ-free dishes.

#SafelsTheNewClean

Steam Treatment for hygiene

Our dishwashers use 70°C hot water to wash away all the dirty grease off your utensils. The hot water hygienic wash kills 99% germs from all the utensils including baby sippers.

Intensive Kadhai

Perfect for Indian Kitchen cleans all the masala and oil stains off kadhais, patilas etc. with just a press of a button.

Self-Cleaning filter

Activated via Home Connect or from the basic settings area on the panel, it cleans itself with a small built-in nozzle after the main washing, interim washing, and rinsing stages.

Clutter-free kitchen

After using your utensils, you can directly place them in their designated place in our systematically designed dishwasher, leaving the kitchen platform clutter free and spacious.
