

Swedish thinking. Better living.

Electrolux India

Shape living
for the better

Electrolux

100 Years and Counting

100 YEARS OF
1919 - 2019
BETTER LIVING

For the past 100 years, Electrolux has reinvented what taste, care and wellbeing mean for our consumers. By creating best-in-class consumer experiences for people all around the world, not only have we impacted their lives, but also the communities in which they live.

Take a walk with us through time.

»»

1912

The first vacuum cleaner, the 14kg Lux I, is produced at the Lilla Essingen factory.

1921

Model V, an easy-to-use vacuum cleaner for ordinary homes, is launched.

*Dieles Haus wird mit
Elektrolux
gereinigt*

1936-1938

Picture of the Melbourne office built between 1936-1938.

1924

Electrolux sets up subsidiary companies in Australia, New Zealand and Egypt.

10,000% increase in our daily production. In just 45 ElectroLux a day, we save 1000 ElectroLux a day.

Who doubts that in time, Every Home will be an ElectroLux Home.

1919

The founding of Electrolux.

1925

Electrolux launches the first absorption refrigerator, the "D-fridge I", on the world market.

1944

Electrolux purchases Bohus Mekaniska Verkstads AB in Gothenburg. The Group thereby enters into a new product category - washing machines.

Tvätt-utrustning
för hyreshus och storhushåll

1901

AB Lux is founded in Stockholm, Sweden and launches the Lux lamp - a kerosene lamp for outdoor use. The lamp is also used in lighthouses all over the world.

1920

The Swedish company Elektro-Helios, acquired by Electrolux in 1962, launches the first electric stove in Sweden.

ELECTRICAL APPLIANCES

1940

The food processor "Assistant" is launched. It is to become one of the Group's biggest sellers.

Manufacturing of vacuum cleaners begins in New Zealand in 1940.

Photo of the Electrolux office in Wellington, New Zealand, taken in 1940.

" The point isn't the technology in itself. The technology is becoming increasingly secondary to the experience. We no longer talk about how fast the microprocessor in an appliance is, but what it can do for the consumer. "

Jonas Samuelson,
President & CEO of Electrolux

1951

The launch of the first household washing machine W20.

1957

Changing the name from **Elektrulux** to **Electrolux** everywhere.

1969

A subsidiary is established in Hong Kong to sell the Group's products in the Far East.

The launch of the self-cleaning oven.

1999

The launch of an intelligent refrigerator "Screenfridge".

2013

The third generation of **Ergorapido** is launched in Japan, the largest market for the product.

1959

The first **Electrolux** dishwasher and the first combination fridge/freezer are launched.

1970

Electrolux launches a microwave oven under the name "MicroLux".

2001

Electrolux puts the world's first self-going robotic vacuum cleaner on the market - the **Trilobite**.

2016

Electrolux announces acquisitions of **Kwikot**, a leading water-heater company in South Africa, and Australia/Singapore-based company **Vintec**, which supplies a wide range of climate-controlled wine cabinets.

VINTEC

1984

Electrolux buys the Italian company **Zanussi**.

ZANUSSI

2022

Launch of Experience centers in India

1962

Announcing a new logotype.

NEW ELECTROLUX SYMBOL
NUEVO EMBLEMA ELECTROLUX

2004

The first stick vacuum cleaner, the **Ergorapido**, is launched.

2017

The new innovative robotic vacuum cleaner, the **Pure i9**, is launched.

1986

The third largest major appliances company in the US, **White Consolidated Inc.**, is acquired and includes brands such as **Frigidaire**, **Gibson**, **Kelvinator** and **White Westinghouse**.

Frigidaire keeps food fresh

2010

Electrolux launches a range of five green vacuum cleaners made from 55-70% recycled plastics.

2018

Electrolux and Midea launch the **AEG** brand in China.

AEG

Our Swedish heritage has given us a rich history - one of innovation and entrepreneurship. With our eyes set on the future, we will always strive to be better - in our operations, in the solutions we develop, and in the role we play in society. Ultimately, through the creation of such best-in-class consumer experiences for our consumers, **Electrolux** will continue to shape living for the better.

Who Are We?

Electrolux Group is a leading global appliance company that has shaped living for the better for more than 100 years. We reinvent taste, care and wellbeing experiences for millions of people, always striving to be at the forefront of sustainability in society through our solutions and operations. We come from Sweden. A land of extreme contrast, where winter gives us eternal darkness and summer infinite light. It's a unique place to call home. And it's the reason we do things differently.

For better living. From Sweden.

What We Deliver?
